

\$199 SELECTION REPORT - STRUCTURE SAMPLE

What the deliverable contains, section by section. A redacted real report is available on request.

1. Your constraints, restated

Site type, threat model, budget band, timeline - as you stated them.

2. Two to three candidate receivers

Per candidate: role fit, per-parameter comparison with source and date on every value, interface notes, two-year cost of ownership.

3. Decode and interface samples

What each unit actually outputs: sample payloads, documentation links.

4. Unverified items - stated, not hidden

Every claim we could not confirm, listed with what would confirm it.

5. 30-minute walkthrough call

We walk the comparison, you probe the weak spots.

Boundaries, stated up front

Refund conditions; what is NOT included: mitigation, legal conclusions, coverage guarantees. Payment: Stripe or invoice with PO, Net 14.

Start: ridfinder.com/services - free screening first, report second.
